HET KALRIYA

WEB DEVELOPER

Description

I am an aspiring frontend developer passionate about creating dynamic, user-friendly web applications. Currently, I am pursuing a B.Tech in Artificial Intelligence and Machine Learning at Sanjay Ghodawat University. As the cofounder and treasurer of Codewaves, I facilitate peer-to-peer learning, web development workshops, and problem-solving sessions. I am seeking opportunities to leverage my skills in web development projects and grow in the tech industry.
